------	------	---------	-----	------	---------	-----------

Figure 1: A plot of magnetic field components (Bx, By, Bz) in nT versus time (UT) for the C3 spacecraft. The plot shows a clear oscillation in the Bx component (red line) and a corresponding oscillation in the By component (green line). The Bz component (blue line) also shows a smaller oscillation. A yellow box with an arrow points to the plot area, containing the text "Edit the panel composer (because no object is selected)".
